2021 BUSINESS PERSONAL PROPERTY REPORTING

Dear Business Owner,

Enclosed please find a report form, instructions on how to fill out the form and a copy of the depreciation schedules. You are receiving this report because we have established that your business is operating within Eddy County and is subject to reporting per Section 7-38-8 of the property tax code. **You are REQUIRED to make this report annually.**

We suggest you take all of the enclosed documents to your tax preparer or accountant. It is easier for them to complete this requirement at the same time they prepare your federal return. **Please note that per state statute, the deadline for this report is the last day of February. No extensions are made to this deadline.** The deadline falls before the federal reporting deadline. Please plan accordingly.

Please read all the instructions enclosed and follow the requested format. Note that there are some differences from how you report on your Federal Tax return. The attached depreciation schedules are only to be used for this report and should be followed to obtain a fair method of depreciation. These schedules have been adopted to be more reflective of the actual lives of various equipment and machinery, which will simplify reporting. All items reported to the IRS on your Federal Tax return must also be reported to Eddy County for taxation. If asset(s) are in your possession and located in Eddy County, as of January 1, 2020, then you are responsible for taxes on those asset(s). Also, if you are depreciating the asset(s) or taking a Section 179 expense on your 2020 Federal Tax return, then you are liable for taxes on the asset(s). It is essential that you provide an itemized list including the type of asset, the year the asset was purchased, the purchase price and the current year of depreciation. Attaching this list will help ensure that you are ONLY taxed on those item(s) and not all your asset(s). This list should also include asset(s) sold or disposed of, along with the date of sale or disposal. If sold please include name, address and phone number of the person who purchased the asset(s).

If the mailing address or physical location of your business has changed, please make the necessary address corrections on the report enclosed. If the business has ceased operating in Eddy County or has been sold, indicate the pertinent information on the report. Should your business change locations, change mailing address, terminate operations or transfer ownership at any point in the year, you must inform this office as soon as possible. Your cooperation is sincerely appreciated in this matter. If this is your first time reporting or have any questions, do not hesitate to contact our office at (575) 885-3813.

THANK YOU!
