Employee Spotlight

This month's employee spotlight is Glenda Yetley

Glenda has worked for Eddy County for 8^{1/2} years.

In 2013, she began her legacy with the County in the Assessor's Department working as a clerk, and in 2014 she began taking classes and training for an Appraiser position. "What a learning curve I was headed for transitioning from education to valuing improvement and land. Oh my!", says Glenda.

The citizens of Eddy County have allowed Glenda to assist them in their woes and conquests concerning their property questions and solution. It has been her pleasure to serve each one.

In her spare time, Glenda says that her grandchildren and their activities are her biggest blessings. She cherishes every minute that she spends with each one of them! She also enjoys working outside, going to the mountains and exploring new and interesting places.

If you've experienced an Eddy County employee or department that has gone above and beyond to serve you, we want to know! Email your experience to jstrong@co.eddy.nm.us
