

My Dream House

Dreams of homeownership do not include lending discrimination.

Your national origin is not a reason to be charged a higher interest rate. That's why HUD is here to help. One call and you'll be connected to housing professionals who can answer questions about your particular situation. Get the information you need to avoid unfair lending practices that can adversely affect you and your family. Fair housing is not an option, it's the law.

HUD. One Call. Many Answers.
