Re: Livestock Rendering

The New Mexico Livestock Board Inspector has indicated that you have livestock in Eddy County. New Mexico state law (Subsection D of Sec 7-36-21 NMSA) requires that all livestock be rendered. If you have sold, purchased or own any livestock in Eddy County you are required to inform the Assessor's office. Please provide the names and addresses of the current owners of livestock so that it is not mistakenly reported in your name.

Please fill out the enclosed Livestock Rendering form and return it to our office.

If you have any questions, please call.

Thank you,
