Solutions for today... Vision for tomorrow

May 5, 2022

Mr. Jason Burns, Public Works Director
Eddy County
410 E. Derrick Rd.
Carlsbad, NM 88220

Re: **Bid No. IFB 22-02**
Eddy Co. West Loop Rd. – FWD-2 Diversion Facility Crossing

Dear Mr. Burns:

As you know, bids were opened for the above-referenced project on Thursday, May 5, 2022. The County received two (2) competitive bids. Bids were submitted and received from Constructors, Inc. of Carlsbad and J&H Services of Albuquerque. The bid amounts are summarized on the attached bid tabulation sheet. The bids were reviewed by me for completeness and mathematical accuracy. The lowest, responsive bid was submitted by Constructors, Inc. of Carlsbad in the amount of \$2,850,915.00, plus gross receipts tax.

Constructors, Inc. is a registered Contractor in the State of New Mexico with active classifications GA-98, GB-98, GF-01, GF-03, GF-04, GF-05, GF-06, and GF-09 operating under license number 1585. The bid submitted by Constructors, Inc. listed the subcontractors/suppliers they will use on this project. Each is licensed in the State of New Mexico with the appropriate classification to perform their nature of work or supply materials. The Surety for the 5% Bid Bond included in the bid submitted by Constructors, Inc. is Western Surety Company.

The basis of award for this project is the lowest, complete, and responsive bid submitted by a qualified, licensed Contractor in the State of New Mexico. Therefore, after reviewing the submitted bid, Smith Engineering Co. recommends the contract for this project be awarded to Constructors, Inc. of Carlsbad, NM in the amount of \$2,850,915.00, plus gross receipts tax.

Please feel free to call with any questions or comments.

Sincerely,
Smith Engineering Co.

Scott Hicks
